Dear Friends,
We all welcome the return of summer and the activities that come with it. The RFA has come up with another full calendar of events to treat our senses this summer. I hope you mark your calendars now to save these dates as we all know how the summer fills up. The RFA works throughout the year to keep the arts strong in Rangeley by working closely with the school to bring in artists, the summer program and the much loved Walk to Bethlehem. This is an important fundraiser year as the Rangeley Friends of the Arts truly starts making plans for a long needed Performance Center, located adjacent to the school property. Please keep this in mind as you support the RFA through generous donations and attending our events. Thank you for supporting the Arts,
Heidi Sorensen
